(2) Each utilization review program shall use documented clinical review criteria that are based on sound clinical evidence and are evaluated periodically by the health carrier's organizational mechanism specified in subparagraph (F) of subdivision (2) of subsection (c) of section 38a-591b to assure such program's ongoing effectiveness. A health carrier may develop its own clinical review criteria or it may purchase or license clinical review criteria from qualified vendors approved by the commissioner. Each health carrier shall make its clinical review criteria available upon request to authorized government agencies.

(3) (A) Notwithstanding subdivision (2) of this subsection, for any utilization review for the treatment of a substance use disorder, as described in section 17a-458, the clinical review criteria used shall be: (i) The most recent edition of the American Society of Addiction Medicine's Patient Placement Criteria; or (ii) clinical review criteria that the health carrier demonstrates is consistent with the most recent edition of the American Society of Addiction Medicine's Patient Placement Criteria, in accordance with subparagraph (B) of this subdivision.

(B) A health carrier that uses clinical review criteria as set forth in subparagraph (A)(ii) of this subdivision shall create and maintain a

House Bill No. 5578

document in an easily accessible location on such health carrier's Internet web site that (i) compares each aspect of such clinical review criteria with the American Society of Addiction Medicine's Patient Placement Criteria, and (ii) provides citations to peer-reviewed medical literature generally recognized by the relevant medical community or to professional society guidelines that justify each deviation from the American Society of Addiction Medicine's Patient Placement Criteria.

(4) (A) Notwithstanding subdivision (2) of this subsection, for any utilization review for the treatment of a child or adolescent mental disorder, the clinical review criteria used shall be: (i) The most recent guidelines of the American Academy of Child and Adolescent Psychiatry's Child and Adolescent Service Intensity Instrument; or (ii) clinical review criteria that the health carrier demonstrates is consistent with the most recent guidelines of the American Academy of Child and Adolescent Psychiatry's Child and Adolescent Service Intensity Instrument, in accordance with subparagraph (B) of this subdivision.

(B) A health carrier that uses clinical review criteria as set forth in subparagraph (A)(ii) of this subdivision for children and adolescents shall create and maintain a document in an easily accessible location on such health carrier's Internet web site that (i) compares each aspect of such clinical review criteria with the guidelines of the American Academy of Child and Adolescent Psychiatry's Child and Adolescent Service Intensity Instrument, and (ii) provides citations to peer-reviewed medical literature generally recognized by the relevant medical community or to professional society guidelines that justify each deviation from the guidelines of the American Academy of Child and Adolescent Psychiatry's Child and Adolescent Service Intensity Instrument.

(5) (A) Notwithstanding subdivision (2) of this subsection, for any utilization review for the treatment of an adult mental disorder, the

House Bill No. 5578

clinical review criteria used shall be: (i) The most recent guidelines of the American Psychiatric Association or the most recent Standards and Guidelines of the Association for Ambulatory Behavioral Healthcare; or (ii) clinical review criteria that the health carrier demonstrates is consistent with the most recent guidelines of the American Psychiatric Association or the most recent Standards and Guidelines of the Association for Ambulatory Behavioral Healthcare, in accordance with subparagraph (B) of this subdivision.

(B) A health carrier that uses clinical review criteria as set forth in subparagraph (A)(ii) of this subdivision for adults shall create and maintain a document in an easily accessible location on such health carrier's Internet web site that (i) compares each aspect of such clinical review criteria with the guidelines of the American Psychiatric Association or the most recent Standards and Guidelines of the Association for Ambulatory Behavioral Healthcare, and (ii) provides citations to peer-reviewed medical literature generally recognized by the relevant medical community or to professional society guidelines that justify each deviation from the guidelines of the American Psychiatric Association or the most recent Standards and Guidelines of the Association for Ambulatory Behavioral Healthcare.

(b) Each health carrier shall:

(1) Have procedures in place to ensure that (A) the health care professionals administering such health carrier's utilization review program are applying the clinical review criteria consistently in utilization review determinations, and (B) the appropriate or required [clinical peers] individual or individuals are being designated to conduct utilization reviews;

(2) Have data systems sufficient to support utilization review program activities and to generate management reports to enable the health carrier to monitor and manage health care services effectively;
